

INSPIRATIONAL FUTURES

12th May 2022

As they make choices and plans for the future, young people need support from the people who know them best, their families. There are many ways that parents can offer support with choices and this bi-weekly update will provide you with current information to help you. You may be helping to find industry opportunities for work experience or apprenticeships, so here are a few to start your search below: -

The Careers in Aerospace website is an official website of the Royal Aeronautical Society (RAeS).

To find out more about careers in this sector, click on the following link - <https://www.careersinaerospace.com/>

As a collective seafood industry, it is vital that young people know that it is possible to carve out an exciting and rewarding career.

There are lots of different jobs that are available plus seafood careers can offer young people a chance to travel the world, to become a leader or own a business.
