

INSPIRATIONAL FUTURES

17TH January 2022

As they make choices and plans for the future, young people need support from the people who know them best, their families. There are many ways that parents can offer support with choices and this bi-weekly update will provide you with current information to help you. You may be helping to find industry opportunities for work experience or apprenticeships, so there are a few to start your search below: -

Work Experience in Accountancy - "Spend a week in one of our offices gaining key employability skills, making friends, meeting valuable future contacts, and discovering the world of business. You'll be partnered with a mentor for the week and will spend time shadowing their work and discovering the various professional services we offer our clients."

McDonalds Degree Apprenticeships - Annual Salary: £18,750 - £31,000 across 5 years

As this is a restaurant-based position they are recruiting apprentices from school leavers in all locations across England and Scotland. It provides the opportunity to gain real-life management experience while at the same time studying towards a degree qualification with Manchester Metropolitan University.
