

Avonbourne Boys' & Girls' Academies

The best in everyone™

Part of United Learning

27th June 2022

Dear Parents/Carers,

I am delighted to announce that Avonbourne was recently awarded the Eco Schools Award with Distinction for our efforts this year to reduce the school's carbon footprint and improve sustainability.

To celebrate this award and to help support your child in understanding our goals before they arrive in September, we would like to share with you a free Ebook for your child. This wonderful book aims to help support children's understanding of Climate Change.

Your child can participate in the Bedtime Story Challenge by reading this book to you at bedtime. They can also become a changemaker by teaching five adults about Climate Change once they have read the book!

We would love to hear from you if your child completes this challenge. Tell us on our social media pages using the hashtag #CarbonGeneration and #AVBproud or email me on laura.tsabet@avonbourneacademy.org.uk so that I can send over a digital certificate.

I look forward to meeting your child in September.

Yours sincerely,

Laura Tsabet
