

September 2020

Dear Parent/Carer,

I am delighted to inform you that Avonbourne Academies has been deemed eligible to join the National School Breakfast Programme, to provide breakfast items for eligible students throughout the Autumn and Spring terms 2020/21.

The aim is to provide a healthy breakfast to as many children as possible. Evidence is clear that educational attainment, effort and concentration levels all improve as a result of a good breakfast. The programme is funded by the Department for Education and is being delivered by the charities Family Action and Magic Breakfast. This provision will run until March 2021.

I would encourage you to visit the magic breakfast website to find out more about this initiative and the important reasons that we believe this service will be of great benefit to our children.

<https://www.magicbreakfast.com/>

A pack of New York style bagels will be available on a weekly basis for your son to take home with them as part of this programme.

If you would be interested in this provision, please return the reply slip below via your son's form tutor by Friday 2nd October 2020. We will then contact you about arrangements for this provision in due course. Please also ensure you have visited the website to find out more about the ingredients and allergens before completing the reply slip.

Yours faithfully

Lisa Gutsell
