Subject: Art

Task:

Zentangle

Draw around your hand on a piece of paper.

Draw a meandering, wavy, overlapping line over the top, let the line stray outside the hand so that you have a background as well.

Fill in the individual sections with patterns, illustrations, stickers, collage, use your imagination and get creative, make it personal, no 2 images will be the same!

Please send us your pictures, and with your permission we will share them on the website. There will be prizes awarded to participants.
