

Transition Day
Wednesday 30th June 2021

Subject: Music

Task:

As part of our year 7 work in music we start by looking at performing and creating rhythmic patterns. We would like you to learn how to perform different rhythms and create a performance of 'Don't Stop Believing'.

Use the tutorial videos that can be accessed [HERE](#) to learn the piece and then send us a recording of you performing the piece to the email address below.

Extension Task:

If you have enjoyed this task then an extension is to take a song of your choosing and create your own rhythmic patterns either using your body or a cup that fit along with the piece.

Resources required:

- Cup/Water Bottle
- Lined paper to write down any instructions

Share your work with us:

Once you have completed the tasks. You can email your work to amy.burrows@avonbourneacademy.org.uk or tweet us @avonbourne_2028.

We would love to see how you got on!
