

Transition Day
Wednesday 30th June 2021

Subject: Science

Task:

- Watch the Science video to complete the Kitchen Chemistry investigation.
- Only complete the task if you have an adult to supervise you in the kitchen.
- Write a conclusion that summarises your findings. If you think you know why you get the results that you do, we would love to hear your theories.

Resources required:

Kitchen cooker
Pan with a lid
Green vegetable (green beans work best)
Timer

Share your work with us:

Once you have completed the tasks. You can email your work to:

rick.powell@avonbourneacademy.org.uk

You can also ask your parents to tweet us your work @avonbourne_2028.

We would love to see how you got on and will have prizes for fantastic work in September.
