Year 8

Term	Autumn 1								Autumn 2								Spring 1								Spring 2								Summer 1								Summer 2							
Date	06/09/2021	13/09/2021	20/09/2021	27/09/2021	04/10/2021	11/10/2021	18/10/2021	25/10/2021	01/11/2021	08/11/2021	15/11/2021	22/11/2021	29/11/2021	06/12/2021	13/12/2021	20/12/2021	27/12/2021	03/01/2022	10/01/2022	17/01/2022	24/01/2022	31/01/2022	07/02/2022	14/02/2022	21/02/2022	28/02/2022	07/03/2022	14/03/2022	21/03/2022	28/03/2022	04/04/2022	11/04/2022	18/04/2022	25/04/2022	02/05/2022	09/05/2022	16/05/2022	23/05/2022	30/05/2022	06/06/2022	13/06/2022	20/06/2022	27/06/2022	04/07/2022	11/07/2022	18/07/2022
Science	Light and Space					The Periodic Table			The Periodic Table			Digestion and Nutrition						Digestion and Nutrition					Electricity and Magnetism			Electricity and Magnetism		Materials and Earth						Materials and Earth	Plants and Photosynthesis						Matter						
English	Prose: Animal Farm								Prose: Animal Farm									Shakespeare: Julius Caesar								Poetry: Social Justice								Prose: Dystopian Short Stories							Prose: Frankenstein						
Maths	8.01 Indices	8.02 Prime Factorisation		8.03 Significant Figures	8.04 Multiply & Divide Fractions		8.05 Negative Numbers Revision		8.06 Solving Linear Equations		8.07 Forming & Solving Linear Equations			8.08 Coordinates & Basic Graphs				8.09 Units Of Measurement	8.10 Angles In Parallel Lines		8.11 Interior & Exterior Angles		8.12 Circumference			8.13 Proportional Reasoning		8.14 Fractions, Decimals, Percentages		8.15 Ratio				8.16 Area of Circles and Trapezia		8.17 Interpreting and presenting Data		8.18 Averages			8.19 3-D Visualisation		8.20 Volume			Revision and Catch Up	
French	Holidays								Free Time									Lifestyle								School								Future Plans							Revision and Catch Up						
Geography	Tectonic hazards								Tectonic hazards				Population					Population								Coasts								Coasts				Weather hazards			Weather hazards						
PSHE	Developing communication and negotiation skills, clarifying values and strategies to manage influence.								Developing communication and negotiation skills, clarifying values and strategies to manage influence.									Developing empathy, compassion and strategies to access support.								Developing agency and strategies to manage influence and access support.								Developing goal setting, motivation and self-awareness.							Developing analytical skills and strategies to identify bias and manage influence.						
History	The Reformation and Henry VIII								Late Tudor England									The English Civil War								The Transatlantic Slave Trade								The Industrial Revolution							The British Empire						
Art	Art Developing Drawing skills. Linking with artist David Hockney. Start to learn about the proportions of the face and measuring techniques, looking at details of shapes of the features of a face.								Art Portraits Look at facial expressions with regard to shapes and proportions. Look at Chiaroscuro and make links with portraiture. Create own expression portrait applying strong contrasts between light and dark.									Art Portraits and Masks. Developing knowledge and understanding of Noh Masks, Day of the Dead Masks and Totem poles.								Art Portraits and Masks. Continue studying a range of masks. Create mask designs. Develop understanding of colour theory, painting skills and techniques.								Art Portraits and Masks. Continue studying a range of masks. Create mask designs. Develop understanding of colour theory, painting skills and techniques.							Art Portraits and Masks. Continue studying a range of masks. Create mask designs. Apply painting skills to mask design.						
Music	Structure and Tonality - History of Popular Music								Structure and Tonality - History of Popular Music									Melody and Harmony - Songwriting								Melody and Harmony - Songwriting								Theme and Variation							Theme and Variation						
Religious Studies	Introduction to Islam								Introduction to Islam									Introduction to Atheism								Introduction to Atheism								Introduction to Philosophy of Religion							Introduction to Philosophy of Religion						
Physical Education	Students practice and refine their skills in isolation and under pressure, exploring more complex tactics and compositional principles. Boys: Invasion Games: Touch Rugby, Football,Handball Girls: Netball, Fit for life, Tag Rugby, Gymnastics, football, Basketball								Students practice and refine their skills in isolation and under pressure, exploring more complex tactics and compositional principles. Boys: Invasion Games: Touch Rugby, Football,Handball Girls: Netball, Fit for life, Tag Rugby, Gymnastics, football, Basketball									Students practice and refine their skills in isolation and under pressure, exploring more complex tactics and compositional principles. Boys: Invasion Games: Touch Rugby, Football,Handball Girls: Netball, Fit for life, Tag Rugby, Gymnastics, football, Basketball								Students practice and refine their skills in isolation and under pressure, exploring more complex tactics and compositional principles. Boys: Invasion Games: Touch Rugby, Football,Handball Girls: Netball, Fit for life, Tag Rugby, Gymnastics, football, Basketball								Students practice and refine their skills in isolation and under pressure, exploring more complex tactics and compositional principles. -Summer Sports: Boys :Cricket, Athletics, Softball Girls : Rounders, Athletics, Tennis and volleyball							Students practice and refine their skills in isolation and under pressure, exploring more complex tactics and compositional principles. -Summer Sports: Boys :Cricket, Athletics, Softball Girls : Rounders, Athletics, Tennis and volleyball						
Dance	Introduction to Movement Components (Contemporary Contact)								Introduction to Movement Components (The Nutcracker)									Introduction to Physical Skills (Dance Through the Decades)								Introduction to Physical Skills (The Greatest Showman)								Introduction to Expressive Skills (Contemporary Choreography)							Introduction to Expressive Skills (Professional Work)						
Technologies: Textiles	Introduction to weaving techniques. Students will create a weaving inspired by aerial photography. (Technology rotation)								Introduction to weaving techniques. Students will create a weaving inspired by aerial photography. (Technology rotation)									Introduction to weaving techniques. Students will create a weaving inspired by aerial photography. (Technology rotation)								Introduction to weaving techniques. Students will create a weaving inspired by aerial photography. (Technology rotation)								Introduction to weaving techniques. Students will create a weaving inspired by aerial photography. (Technology rotation)							Introduction to weaving techniques. Students will create a weaving inspired by aerial photography. (Technology rotation)						
Technologies: Product Design	Design and make a chocolate bar POS display using one point perspective drawing (Technology rotation)								Design and make a chocolate bar POS display using one point perspective drawing (Technology rotation)									Design and make a chocolate bar POS display using one point perspective drawing (Technology rotation)								Design and make a chocolate bar POS display using one point perspective drawing (Technology rotation)								Design and make a chocolate bar POS display using one point perspective drawing (Technology rotation)							Design and make a chocolate bar POS display using one point perspective drawing (Technology rotation)						
Technologies: Food	Level 2 Food Skills Cross Contamination & Food Poisoning Nutrients-Diet Analysis								Level 2 Food Skills Cross Contamination & Food Poisoning Nutrients-Diet Analysis									Level 2 Food Skills Cross Contamination & Food Poisoning Nutrients-Diet Analysis								Level 2 Food Skills Cross Contamination & Food Poisoning Nutrients-Diet Analysis								Level 2 Food Skills Cross Contamination & Food Poisoning Nutrients-Diet Analysis							Level 2 Food Skills Cross Contamination & Food Poisoning Nutrients-Diet Analysis
