Dear Parent/Carer,

Changes to Free School Meal Entitlement - ACTION REQUIRED

We want to make sure that we are providing your child with the best education and support we can. Healthy school food can help pupils establish healthy habits for life and help to improve pupils' readiness to learn.

The criteria for free school meals and other funding has changed.

Your child was entitled to receive free school meals or pupil premium last academic year, you need to check your eligibility for this academic year by completing the link below. If you do not, your child's access to free school meals will end.

Please complete the link below so we can assess this.

To check your eligibility, please complete this link by Friday 18th September. Any child no longer eligible will not receive free school meals.
