WELCOME TO **AVONBOURNE BOYS' AND GIRLS' ACADEMIES**

I am delighted you will be attending Avonbourne Boys' or Girls' Academy for the next stage of your education. As part of United Learning, the Avonbourne Academies are part of a group of schools who are committed to providing an excellent education through which all pupils can progress, achieve and go on to succeed in life. We hope you will be very happy with us and achieve results you can be proud of which will enable you climb your own personal mountain to university or alternative, thrive in a fulfilling job and have a great life.

In preparation and to allow us to get to know you a little better, the first task in this booklet is for you to write a letter to the year 7 team all about you. This letter will be shared with your new form tutors so should be in your neatest handwriting. Make sure you are using correct spelling, punctuation, and grammar to impress them. In this letter I would like you to explore the following areas:

- What are you looking forward to about attending Avonbourne Academy?
- Do you attend any clubs or play a musical instrument?
- What are your hobbies?
- Who do you live with and do you have any pets?

Please feel free to add in any extra information which you think will allow us to get to know you better before you start at Avonbourne Boys' or Girls' Academy. There will be prizes awarded for your letters in September.

The other pages in this booklet give you the chance to write any questions you would like us to answer. We will be answering these questions on the transition pages of our academy website following transition day (www.avonbourneacademy.org.uk). We also have Open Mornings in the summer term which you and your parents are very welcome to book on to and come and see our Academies in action!

We very much look forward to reading your letters and meeting you soon.

If you would like to contact us, please do so via our email
