

25<sup>th</sup> February 2026

Dear Parents/Carers,

### **Homework Survey**

At Avonbourne Academies, we are continually striving to provide the best possible learning experience for our students both in the classroom and at home. To support this, we are reviewing our approach to homework, and we would be extremely grateful if you could take a few minutes to complete a short survey.

The purpose of this survey is to gather your views on how homework is currently supporting your child's learning, how manageable it is for families, and what improvements you feel would make the greatest difference. Your feedback will directly inform our next steps as we refine our homework policy and practices.

### **Why homework matters**

Homework plays a vital role in helping students:

- Consolidate and deepen their understanding of what they have learned in lessons
- Develop essential study habits such as independence, organisation, and resilience
- Prepare for assessments and future learning
- Build confidence through regular practice and reinforcement

When carefully designed and completed consistently, homework can make a significant and lasting impact on student progress. Your insights as parents and carers are crucial in helping us ensure that homework is purposeful, balanced, and supportive of every child's success.

### **How to take part**

Please follow the link to complete the survey: [Homework Survey – Fill in form](#)

The survey should take no more than a few minutes. We kindly ask that surveys are completed by Monday 2<sup>nd</sup> March.

Thank you in advance for your time and support. By working together, we can continue to strengthen the learning experience for all students at Avonbourne Academies.

Yours sincerely,

**Chris Hayward**  
**Assistant Principal**
