

Avonbourne Boys' & Girls' Academies

The best in everyone™

Part of United Learning

Respect - Equality - Ambition - Community - Hard Work & Determination

5th June 2025

Dear Parent/Carer,

World Cultures Day – expression of interest to provide food and different activities to promote diversity

We are extremely excited to hold our annual World Cultures Day at the Avonbourne Boys' & Girls' Academies. It will be a celebration of culture and food from the diverse communities we have representing us at the Academies and a wonderful opportunity to bring the community together and to celebrate diversity.

We are asking students, parents and teachers to participate in the event, to wear their traditional clothes, to bring traditional food to share with the community and to represent their country/culture/religion through expressive arts – art, dance, music and digital media.

Date of the event: **Tuesday 8th July 2025**

Time: 4:30pm – (approximately) 5:45pm (please **arrive from 4pm** for set up)

Location: **Avonbourne Boys' & Girls' Academies**

We are asking for an initial expression of interest which will help us to plan the event. If you would be interested in taking part in the celebration, please click on the Microsoft Forms link below and fill in the details provided ASAP <https://forms.office.com/e/6kQ0AFeb8x>

Once we have collated this information, we will be in contact to provide further details.

If you wish to bring in food to represent your country/culture/religion, please note you will need to bring equipment to display the food on. We will also need a full ingredients list highlighting any allergens.

We will provide:

- A stall to place the food
- Plates, bowls, and cutlery
- A flag to represent where your food is from
- A selection of free food for all participants of the event to try

If you would prefer to take in the experience and taste the wonderful foods rather than having a stall, please look out for further details provided next week.

Yours sincerely,

Karine Karapetyan
