Dear Parents/Carers,

## Year 10 End of Year exams 2<sup>nd</sup> – 24<sup>th</sup> June intervention sessions

It is great to witness the continued Hard Work and Determination the Class of 2028 showcase in the lead up to their end of year exams.

As an added layer of support, we are offering Year 10 the opportunity to partake in Period 0s (before school interventions) and Period 5s (after school interventions). This is a key part of our Year 11 exam provision, and we are pleased to be able to extend this to Year 10. Although these sessions are optional, attendance is **highly recommended**. They provide a final session of revision which will give any last reminders needed to students. Where there is more than one subject intervention on at the same time, students should choose the subject they believe they most need the intervention in.

For students attending a Period 0, a free breakfast will be available in Block A canteen from 7:30am.
