A reminder that refreshments will be available on the evening should they wish to bring cash with them. This is the responsibility of the student.

Drop off and collection will be from **Student Reception**, and all students must be collected from site by the adult named on the Microsoft Form. Students will under no circumstances be permitted to walk home unattended at the end of the evening. No mobile phones will be allowed at the disco. If students need to have these on them for contact purposes, they will be able to hand them in at the beginning of the disco and receive them again at the end.

The disco is an Academy event and therefore our policies relating to students' conduct towards each other, and staff, should be adhered to at all times. The Academy reserves the right not to invite students whose behaviour does not meet these high expectations.

We look forward to seeing the students there.
