Dear Parents/Carers,

## Year 11 Easter holidays raising attainment sessions

It has been such a brilliant Final Feedback Fortnight. The year group have approached each lesson with a real zeal to improve their grades. Tuesday afternoon was of course the highlight, seeing our school community come together to support each other with the 'envelope moment'. As always, it is a work in progress as we approach the 'final race'.

To support students with the upcoming exams, a range of subjects are putting on raising attainment sessions during the Easter holidays. These sessions have been hugely popular in the past, with many students stating that they had been a key factor of their success. Please do encourage your child to attend the sessions in subjects they study.

Our trial of a daily 'silent study' in February half term was extremely successful. Students seemed to appreciate a distraction-free space to commit to revision. We are therefore running silent study every day between 9am-3pm.

As the campus will be undergoing extensive site works, for health and safety purposes students will need to be escorted by staff to where their session is taking place. It is therefore crucial that your child turns up on time to the session – turning up slightly early is encouraged! For Silent Study, students can arrive at any time but must go straight to the designated room.

Students do not need to wear school uniform for these sessions but should bring their pencil case, a water bottle and a snack.

Yours sincerely,
